## August 2021 Review

Nine Rotarians met for our 5<sup>th</sup> August meeting at Pebbles, Lee-on-the-Solent for a convivial meal and a lot of chatter! It was a pleasant evening by the sea doing a lot of catching up.

Our next meeting date of 19<sup>th</sup> August was at The Crofton for a light hearted game of skittles and a meal. 19 Rotarians including several partners again chatted away and tried to knock those little skittles over! A very nice evening that was organised by Lee.

## September 2021

Our return to The Holiday Inn for our meetings has once again been delayed, this time until October “due to staff shortages and Covid isolation issues”.

Consequently our 2<sup>nd</sup> September meeting will be over zoom and the 16<sup>th</sup> September meeting is to be decided at that meeting.

## Club Handbook

The latest edition of the Club Handbook is now available from the Secretary, including details of our two new members. Contribution to our charity account of £1.

## Interesting Facts

- A Komodo dragon’s tongue can taste its prey from two and a half miles away
- Diners spend £2 more per head if a restaurant plays classical music instead of pop
- Listening to music can change the taste of wine and coffee
- ‘I will Survive’, ‘Stayin’ Alive’ and ‘Another One Bites the Dust’ have the correct number of beats per minute to perform CPR to
- You can make human heart tissue from spinach

### **Bee Joke**

My husband got stung by a bee on his forehead, he's at A&E now, face all swollen and bruised, he almost died. Luckily, I was close enough to hit the bee with a shovel!

Thank you Brian R!

**Please do stay safe and keep well.**
