None this month

April Review

A quiet month.

We agreed to make a donation to Kids Cancer Charity for a local Locks Heath family whose child has cancer. It will enable the family to have a break at one of the locations run by the Kids Cancer Charity.

We changed venue for our 'Social Meeting' on 18 April to The Rising Sun in Warsash and we were joined by a visiting Rotarian from the Rotary Club of Corpus Christi Northwest in Texas along with his son-in-law, who lives locally.

Cheques were also sent out to the three organisations connected with Alzheimer's including for our local Memory Group that is hosted by the Friends of Fareham Community Hospital.

Mel has been voted on as Secretary for next year, which means we do have a full set of Officers for President Elect Chris's year, 2023-24.

Following agreement by the Club a new President's Jewel has been ordered, which leaves the original one that is full covering the Clubs first 50 years from Charter in October 1972 to our 50th year, this year, 2022-23.

May brings us to towards the end of this Rotary year with our Annual General Meeting where we review what we did this year and agree next year's subscription. It is also the month of the District Assembly where the incoming District Governor and his team outline their thoughts for the year to come.
