February Review

I collected the giant chocolate Easter Eggs for this year's fundraising project and have to say that they look amazing! Six local good causes will each receive an egg to help with their fundraising efforts.

We were treated to a very informative talk from Dr G Venkat Raman about the international project in the Sundarbans in the north east of India to protect the fragile and unique ecosystem.

The Group Round of the Youth Speaks Debate Competition was hosted by Gosport Rotary Club. We were pleased to support Brookfield Community School teams in the both the Intermediate and Senior competitions and, although neither team progressed to the next round, they were a great credit to the Club and their school. We hope that they choose to put forward teams again in 2027.

Proposed Meetings in May 2026

May 5	Business Meeting	Victory Hall
May 19	Business Meeting	Victory Hall

And finally..

Rotary Celebrated its anniversary in February.

Rotary started with the vision of one man, Paul Harris. The Chicago attorney formed the Rotary Club of Chicago on 23 February 1905, so professionals with diverse backgrounds could exchange ideas and form meaningful, lifelong friendships. Over time, Rotary's reach and vision gradually extended to humanitarian service. Members have a long track record of addressing challenges in their communities and around the world.

The Rotary Club of Locks Heath was chartered on 31 October 1972 and has a rich history. If any of our longer serving members have any photographs they would like to share it would be lovely to curate a collection of these important memories.

I am always grateful for any interesting articles for the Bulletin. Your next bulletin will be short if no one gives me any articles.
