## April Review

The Club supported Marie Curie by helping to shake our collecting tins on a rather windy April day in Locks Heath, helping that marvellous charity to smash its previous record for the amount raised on a day there. We absolutely loved the hats!

We were delighted to meet Sarah who came to a meeting to tell us all about Dogs for Autism. This charity provides assistance dogs to people of all ages at no cost and is helping to change lives around the UK. Their mission is to have a positive impact on the lives of autistic people and their families, to empower them to achieve their goals, improve access to their chosen communities and to enhance their emotional and physical wellbeing. More information can be found at <https://dogsforautism.org.uk/>

We also held a brilliant Murder Mystery Night at Victory Hall, Warsash with the theme of a 1920s ocean cruise to raise funds for charity. It was a great way to meet new friends, enjoy a great meal and put the 'little grey cells' to work.
