July Review

The highlight of the month was the Rotary Warsash Festival on 4 July. The sun smiled on us and lots of local people came. Our new Club branded flags flew nicely in the breeze and there was a real buzz around all the stalls and the arena. Lots of funds were raised for good causes.

We were also happy to welcome a speaker from the voluntary organisation Coastwatch to our meeting on 21 July to tell us about

the fabulous work that they do to keep us safe in and around our local waters. Their professionalism and dedication is greatly appreciated. Based at Lee-on-the-Solent they are part of a national organisation and they keep a visual watch along the Solent and work with the emergency services.
