September Review

Christmas shoeboxes were handed out to local schools.

Planning started for the Youth Speaks Debate 2027 competition.

On Saturday 26 September 2026 the Club was at the Victory Hall Open Day. This was an excellent opportunity to increase awareness in the community of our Club and what Rotary does. Each time I do one of these events I gain more insight into how better to promote our Club. It was also a chance to make connections with other organisations there.

On 29th September we met at The Bugle for a lovely meal and a chance to have a relaxed yet dynamic discussion about the Club's strategy as a start of this piece of work. It was conveniently followed by the President and Secretary attending a G7 meeting where clubs could share and discuss ideas about growth and membership.

Dec 15	Business Meeting	Victory Hall
Dec 29	Social	Venue to be arranged
